CONTEST CLASSES

- **SMP 15 m** – common classification taking into account all polish and foreign pilots, flying on 15m class gliders, in accordance with the actual table, to be found on the contest website
- **Klub A** – common classification taking into account all polish and foreign pilots, flying on Club Class A class gliders, in accordance with the actual table, to be found on the contest website

TERMS OF PARTICIPATION

Relating to pilots

- valid pilot license
- valid medical certificate
- valid FAI Sports License
- valid radio operator certificate
- insurance policy against accidents
- minimum total of 200h of PIC flights and total of 5000 km flown (only for SMP 15m)

Relating to current training requirements:

1. A pilot with a total flight time on sailplane of less than 500 hours must complete at least 5 sailplane flights, with a duration of at least 10 hours, during the year before the competition starts.
2. A pilot who, in the previous year, flown on gliders less than 25 hours, must, before the start of the competition, make at least 3 sailplane flights lasting a total of at least 5 hours..

Relating the glider:

- Airworthiness Review Certificate (ARC)
- Certificate of Airworthiness or Permit to Fly
- Radio License
- Insurance policies required by law
- Flight Manual

Additional security equipment requirements:

Sailplanes in all classes must be equipped with anti-collision FLARM devices

RULES OF PARTICIPANTS QUALIFICATION

Eligibility for SMP (Polish National Gliding Championships)

The SMP may be participated only by:

1. Medal winners in previous SMP,
2. Members of the Polish National Gliding Team and the Women's National Glider Team,
3. Winners of 1st and 2nd place in Whole Year Gliding Contest from the previous season,
4. Pilots who obtained at least 800 points on the Rank List from the last season,
5. Pilots having a valid Sporting License issued by a foreign NAC, who obtained not less than 750 points in the IGC Ranking List during the period from 30/09/2021 to 02/05/2022.

Qualifications order for SMP 15m 2022

- a) Pilots who have completed application in a given competition class and paid the entry fee by 02/05/2022, will be put to the list of participants in following privilege order:
 - i) zdobywca Tytułu Szybowcowego Mistrza Polski w danej klasie w roku poprzedzającym zawody,
 - ii) winners of 1st and 2nd place in Whole Year Gliding Contest from the previous season,
 - iii) pilots occupying the higher position on the Rank List in the general classification for the year preceding the year of the competition - this condition applies subject to the situation described in iv),
 - iv) If any foreign pilots (but not more than 15) have applied to the competition and the total number of participants exceeded 40, the order of the last places will be set as follows: all

foreign and polish pilots and pilots who, after taking into account criterion iii) got on the list of pilots places from: 41 minus the number of foreign pilots, to: 40, should be selected according to the place on the IGC Ranking List validated at 02/05/2022. *(For example, 44 polish and 3 foreign pilots signed up for SMP. The order on the list of polish participants for places 1-37 is determined using the criteria i, ii and iii. Then the group of 6 pilots: 3 all foreign and 3 remained polish pilots (possessing last 3 places (38-40) on the national list) will be selected according to IGC Rank List. 3 best pilots from the 6 described above will be granted by 3 places (38-40) on the overall participants list.)*

- b)** After 02/05/2022, pilots who are on the list of applications in position lower than 40, will receive a reserve status, in the order according to the qualification criterion a.iii). Pilots registered after 02/05/2022 will be entered on the reserve list in the order set by the date of payment of the entry fee (in the case of the same day, the qualification criterion a.iii applies). Reserve pilot may replace a competitor who was on the qualified list and resigned after the above-mentioned time limit.
- c)** If, after 02/05/2022, the limit of 40 competitors is not exceeded, the Organizer will allow the pilots to register at a later date. The order on the list is determined by the date of payment of the entry fee (in the case of the same date, the qualification criterion a.iii applies). The organizer may set a new limit below 40.
- d)** The organizer will refund the entry fee to the competitor, in the event of his resignation from the start before the deadline of 02/05/2022. The Organizer will refund the entry fee paid to unqualified competitors.

Application

Applications can only be made via the website. Applications will be accepted until 02/05/2022. If there are still vacancies after this date, the organizer may accept the competitor's application after individual consideration of the case.
