

# BULLETIN NO.2

## 12th Polish National Gliding Championships in 15m class Nationwide Gliding Competition in Club A class

**The organizer, forced by a drastic increase in aviation fuel prices, introduces a change in aero tow prices to the competition:**

### **SMP 15m:**

- towing during the competition: 1 aerotow for 600 meters of AGL, PLN 190,-\*\*

\*\*prepayment for 3 aerotows is required on the day of registration, at the latest

### **OZS Klub A:**

- towing during the competition: 1 aerotow for 600 meters of AGL, PLN 190,- \*\*

\*\*prepayment for 3 aerotows is required on the day of registration, at the latest

The change of costs also applies to pilots who made prepayments for 3 aero tows before the date of the change, that is before 01-06-2022. These pilots are required to top up the prepayment amount up to the value calculated on the basis of the increased prices.
