**WE DO NOT FLY!!!!
TODAY**

We can use time to...

- Finish with the scrutineering
- Check flights and get gliders ready
- Check Airspace
- Move trailers to trailer area

Good things

- 29 flights – 14:17 – 15:42 (1h 25 min)
- Good landings RWY 02 – Change procedure
- Long landings
- No relaunches
- Help at the gridding – Crew
- Use of the radio
- Use the external road for car movements
- Nice atmosphere and patience

Things to improve

- Weather!!!
- Tow time – 5 tow planes
- IGC Files – Please, deliver all flights!!! – 45 minutes
- SLOW DOWN close to the camping – People and dust
- RWY 09 – Stay on the southside of the runway. Crew – wings – wingrunner
- Safety committee – In progress
- IGC Files – Data in the files, names, glider registration, ...
- Test engine before Sunday
- RWY 02 – In use as soon as we start tows
- Gridding table will be sent today

Things to improve - Organization

- Communication
 - Team's Captain meeting minutes will be provided today
 - Email – questions – wishes – **organization@wwgc2023.org**
- Maps – We are printing – Run out of them
- 10 x 1000 liter tanks are going to be set today around the airfield
- Airspace – two files, original and modifications
- Emergency phone - **+34 667264372**
- Briefing about landables fields – TODAY after this briefing
