

Hello glider pilots and enthusiasts! 2023, January 1st

## ***We invite you to the 12th “Lithuanian virtual gliding championship 2023”!***

The event will take place at Pociūnai, Paluknys, Telšiai, Biržai and other airfields.

The competition will be held in **18 metres class**, without handicaps.

Rules:

1. The results will be calculated using SeeYou according to the FAI/IGC rules. It is changed, so that the  $P_m = 1000$ , regardless of distance and time.
2. We will have to follow the restrictions of the Lithuanian airspace (according to the submitted OpenAir format file).
3. There will be speed tasks and AAT tasks.
4. A 3 kilometre radius finish ring will be used.
5. Penalties for violations:
  - for cloud flying longer than 5 seconds overall in a single task a 50 points penalty will be applied.
  - for a violation of the airspace (regardless of how many times per task) a 100 points penalty will be applied.
  - for crashing the glider while landing a 100 points penalty will be applied.

Note: it is advisable to connect a phone or PDA with XCSOAR or another program

**Rewards** – the winners of the competition will be awarded trophies (does not apply to HC).

## Remarks:

- The tasks will be about 200 kilometres long. The flights should take about 2 hours each.
- After the flight it is necessary to send your IGC file to [ztaure@gmail.com](mailto:ztaure@gmail.com). It is necessary to name the file according to the date code and your competition number. For example: 2023, January 12 flight of the glider "AB" file should be named "31C\_AB" or XCSoar file "2023-01-12-XCS-ABA-01.igc". The competition number cannot be changed in the file name and should be the same as in the registration form.
- The server will be named "LtChamp".
- Teamspeak 3 will be used for communication.
- The join time will be 20 minutes from the server launch. The start line will open 10 minutes after the join time ends. The start window will be 1 hour and 45 minutes.
- Non-Lithuanian citizens will compete as HC.
- If the flight is interrupted due to technical issues, you can finish it offline and must send the IGC file until midnight.
