

e6Glide

Aero Club Adele Orsi, Calcinante del Pesce

(27th - 28th) June 29th - July 5th, 2025

Bulletin Nr. 2 – June 7th, 2025

Dear Gliding Friends,

As you already know, our club in Varese (ACAO <https://acao.it/>) will be hosting the FAI E6Glide <https://acao.it/attivita-sportiva/gare-eventi/e6glide/> <https://acao.it/e6glide/> As of last week, we have reached the number of 10 participants, who will be coming from all over Europe.

Sporting and Competition Directors committee

Due to time constraints, the roles of the SD and CD have been appointed to the "duo" formed by Marco Cappelletti (Alzate Brianza, AVL) and Aldo Cernezzi (Varese, ACAO). They will continuously share the duties of supervising the competition even one of them will be in a different places. Marco will be present on Varese airfield on the weekends, while Aldo will take the place on Monday to Thursday. Both of them will always be available for discussions and they will welcome any of your valuable suggestions.

We're looking forward to a great E6Glide event in Varese, and to meet you again in friendship and with unstoppable passion for our beloved sport.

If you're reading this and you haven't made up your mind yet, we highly recommend you to come to the E6Glide. Let us remind you that the city of Varese is fantastically located near 7 lakes, in the north-western part of Lombardy at the foot of the Alps. A 28km cycling loop will take you around Lake Varese for a healthy and relaxing activity. Milano offers all kinds of museums, shopping, restaurants and activities at just 40min drive (or train ride). The Unesco "Sacri Monti" is a group of nine hill locations in Piedmont and Lombardy featuring chapels, places of worship, monuments and fine arts. The Isole Borromee of Lake Maggiore are a Renaissance attraction. Beautiful sights at the monastery "Santa Caterina del Sasso". The biggest European "Dolls museum" at the Rocca di Angera <https://www.isoleborromee.it/rocca-di-angera/> is a must-see for the ingenious inventions and the amazingly accurate dresses. Or you may choose Vollandia <http://vollandia.it/en/> for all types of flying machines. Castles, painted villages, parks... the list would be endless. <https://vareseguida.com/top-10-attrazioni-della-provincia-di-varese/>

Practical info: Malpensa international airport is at a short distance. Many hotels and guest-houses will make you and your families/friends feel comfortable.

You are all invited to come to Varese! Let's have some fun!

The competition director(s)
