

III Trofeo Ferruccio Zecca Single Handicap Class L'Aquila, (18) 19 – 26 July 2025

Bollettino n. 2

L'Aquila, 19 June 2025

Dear gliding friends,

we are publishing Bulletin No. 2, with further details of the competition and useful

1. Competition Schedule

Date	Activity
17 July	Arrival and pilot welcome, registration and document verification
18 July	Registration and document verification, Opening Briefing, Official Practice Day
19 – 26 July	Competition flying days, subject to a rest day and final awards ceremony

The schedule may be modified based on weather conditions or organizational needs. Changes will be communicated during the briefings.

2. Airspace and Coordination

Airspace coordination will be carried out with all relevant authorities. Airspace-related files will be published on Soaring Spot and may be updated until the beginning of the competition. Any changes will be announced during the briefings.

3. Classes and Groups

The competition will be held in a **Single Class**, applying handicap coefficients as defined in Annex A of the National Soaring Technical Regulations 2025.

A **Lega Amatori Class** is also foreseen, intended for pilots who **explicitly request it**, as provided by Annex C of the National Technical Regulation, and **subject to approval by the Competition Director**.

This class aims to promote and support educational and training purposes, facilitating newcomers to competitions. Pilots will be ranked in a **separate classification**.

Further details on possible group divisions will be communicated during the **Opening Briefing**
