Sponsorship Letter – Great Britain Club Class Nationals

Dear Pilots, Organizers, and Gliding Enthusiasts,

Jonker Sailplanes is proud to sponsor the **2026 GB Club Class Nationals**! As passionate advocates of the soaring community, we're thrilled to contribute to this exciting event by sponsoring a special gift for each participant: one of our iconic, colorful **JS gliding hats**.

At JS, we're known for building the one of world's best high-performance gliders, creating the most fancy and functional gliding hats, and—most recently—even producing some catchy gliding songs. Yes, we take having fun in aviation just as seriously as flying fast! To all pilots: we wish you safe skies, joyful flights, high clouds, and thrilling fast races. May this championship not only challenge your skills but also forge friendships and unforgettable memories.

To help you keep a cool head under pressure (and sun), we're offering you a stylish JS hat from our endless variety of designs. If you rinse it with cold water, it will keep you cool even longer.

We only ask one small thing in return:

- **Post a photo with your JS hat on Instagram using #jonkersailplanes**
- **The funnier or more creative, the better! Let your imagination soar just like your glider.**
- **Send us a nice group picture with all wearing a JS hat.**

From all of us at Jonker Sailplanes best wishes, enjoy, fly safe, make friends.

The Jonker Sailplanes Team
