Third party liability insurance, not excluding competitions, or equivalent

(1'500'000 SDR up to MTOW 999 kg)

Personal medical insurance is required for all pilots, covering accidents and sickness, including any local hospital costs and cost of transport to the team member's home country

Rules and Local procedures

The competition will be run according to SGP rules.

Local procedures will be published at least 1 month prior the race.

Competition area and airspace

Tasks will be set along the ridges placed in directions North-west/South-east which are common directions for glider flying in Livno's area. The class G airspace (FIR Sarajevo) will be reserved for glider flying, as well as the airspace along the border with Croatia (FIR Zagreb), South-west of Livno. All tasks will be set to accommodate possible out-landing fields, restrictions, safe final glide and possibility for public to follow parts of the race.

Pilot criteria

According to SGP rules, pilots have to accomplish following criteria:

- Must have flown at least 250 hrs as PIC, of which at least 100 hrs must be flown in sailplanes.
- Must have previous experience in national sailplane competitions.
- Must hold a pilot license or equivalent document issued or recognized by BHDCA (B&H Directorate of Civil Aviation) or EASA.
- Must hold current FAI sporting license.

Number of entries

The maximum number of entries is 20 pilots. If there are more applicants until May 1st, the top 19 IGC ranked pilots will be accepted plus one wild card holder.

COVID entry conditions

As of now there are no special COVID 19 requirements for participants in sport events in B&H. We need to respect standard conditions like social distancing and wearing the mask in the crowded area. If it will be necessary, we will publish special bulletin related to COVID 19 regulations in Bosnia and Herzegovina.
