Accommodation

Further details will be posted on the website: <http://www.wwgc2023.org>

Camping facilities are available at the airfield, however be aware that the airfield is quite high, **1100m** AMSL and during the central hours of the day is hot and during the night is cool.

Glider Hire

Should any gliders available for hire become known to us, we will post that information on the website.

Aero-Tow Ropes

The Organizers will **NOT** supply the aero-tow ropes. There is a requirement for competitors to bring their own aero-tow ropes with TOST rings.

Oxygen

If you will require to refill your oxygen bottle (Sometimes the cloud bases at that time of the year are over 4000m MSL), advice the organization, via email to info@wwgc2023.org well in advance (more than one month), so they can be prepared for the needs.

Registration, Entry fee and launch fee

Entry Fee: EUR 945.

Self-launching gliders launch fee: EUR 15.

Aero-tow to 600 meters (1960 feet) GND: EUR 75.

Camping fee: EUR 5 per person per day.

Electricity fee: EUR 25 per person per the whole competition.

Bank account for payment of entry fees in EURO:

Account name:

Club Deportes Aéreos Albufera 30 12

IBAN: ES36 2100 6223 2913 0026 5395

All bank charges are the responsibility of the team competitors.

LIMIT DATE FOR ENTRY FEE PAYMENT: APRIL THE 30th OF 2023

Please fill out the NAC registration form:

https://www.soaringspot.com/uploads/040/4012/files/WWGC_registration_form_2023.pdf and the individual registration form: https://bit.ly/12wwgc_form

Before March the 30th 2023.

Total Number of allowable entries.

The total number of allowable entries shall not exceed 60 in total, with a maximum of 30 in each class (exclusive of reigning champions).

Radio Communications

Use of radio frequencies other than Spanish gliding frequencies and published frequencies for team communications will be strictly prohibited. Be aware that in Spain we use 8.33 kHz space frequency separation, therefore only use only EASA approved VHF radio station frequencies.

Pilot/TC Communications during the contest.

The organization will use the WhatsApp application to communicate with TC and pilots, so you will need a smart phone able to have that app.
