

Bulletin #4 April 2023

THE 12nd FAI WOMEN'S WORLD GLIDING CHAMPIONSHIP WWGC2023

1. Advice, if you plan to arrive before **June the 26th.** or if you require some flights on a twin glider with an instructor in order to explore the area please contact the airport manager Sebastian Popa sebastian@aerodromo-soria.com
2. If you are arriving at the airport with a trailer, we recommend to do it through the national road **N-111 and use the Tardesillas exit**, not the Garray exit.
3. Please send out the competition documentation (**License, ARC, ...**) using the following link: <https://bit.ly/12WWGCdocuments> that will expedite the registration.
4. Upon arrival, please proceed at the office and do the **formal registration**, presenting the originals of the documentation, the officers there will indicate where to place the trailer and the glider, and the camping area.
5. Remember driving on the airfield, maximum **20 Km/h** and be very careful.
6. For entering into the airfield, it will require a **car identification**, provided at registration time.
7. Remember to bring your own **tow ropes with TOST links**. In the case of relights, the organization will have some spare ropes.
8. Remember to use some **hats and sun protection**, the airfield is quite high (1100 meters MSL) and you will need it.
9. We will have two celebrations, the **international night and the Spanish night**, have something in mind.
10. We will use the **IGC/OGN trackers**, to be installed at scrutiny time.
11. The list of accepted participants is at:
